History and Highlights

1976 - 1984

Marathi classes started in Toronto just over thirty years back. Sharad Kawale, put forward the idea of Marathi teaching. Shriram Mulgund, Asha Pawagi, Sharad Kawale, Mandatai Tilak got together and formalized the in house classrooms as per students' age group and with convenience of demographic region. Shriram Mulgund took the lead to organize the satellite informal classes. Each Sunday many volunteer parents held the role as teachers for five to six classes in North York, Scarborough, Brampton and Mississauga. Multi level age group children attended these classes. The classes continued in the homes of teachers or parents with genuine interest, strong commitments and passion for Marathi Language learning.

Volunteer teaching services were provided by Sharad Kaka Kawale, Shriram Mulgund, Anand Manohar, Mandatai Tilak, Asha Pawagi, Pusha Wagale, Lalita Godse, Mangal Junnarkar, Meena Ghanekar, Pravina Kale and Sunanda Tumne during these years.

Marathi Learning activity is always supported and held under the umbrella of Marathi Bhashik Mandal, Toronto, Inc. MBM provided the community room place, the guidance and the funding for books, crafts and other teaching materials.

1985

Sir John A McDonald Secondary School, Scarborough, ON.

As the enrolment started to increase; Sunanda Tumne instigated the idea of having all Marathi classes under one umbrella. With greater interest from parents and students; Marathi Bhashik Mandal requested Scarborough Board of Education to provide two classrooms facility for the “home grown “ satellite classes to regular classroom classes at Sir John A. McDonald Secondary School in Scarborough. Sunanda Tumne and Keshav Godse served as teachers.

1986 – 1992**The Woodbine / Vanier Secondary School, North York Board of Education. ON**

This activity was so successful that Sunanda Tumne spearheaded the “Marathi Shala” project that Marathi classes should start under Canada’s Heritage Language Program. Dr. Madhav Khandekar took keen interest in this step. In the fall of 1986, two Marathi classes started for age group 4-12. Third

class started for age group 14 –18 children since Heritage Language Program was restricted up to regular day school grade 8 students. Two more classes started In Mississauga, at T.L Kennedy School under the International Language Program with Peel Board Of Education.

1986- 1992 --Dr. Madhav Khandekar worked as a MBM Marathi Shala co-coordinator. The classroom program was structured in to three Level – Basic, Intermediate and Advance Levels.

Shalan Khandekar, Sudhana Ranade, Sunanda Tumne, Keshav Godse, Lalita Godse, Mangala Junnarkar, Vinita Ratnaparakhe, Meena Gandhi and Sumitra Thakur served as teachers who took tremendous efforts and energy to carry out these teaching program activities. All students, their parents, teachers and Marathi Bhashik Mandal of Toronto supported the program with whole heart and dedication. The main focus was on four R’s of Marathi Language – reading writing, speaking and understanding. Along with Marathi Language learning; children enjoyed cooking lessons from Leelatai Tembe, music lessons and gym classes. Students learned Marathi games such as Kho Kho, Hututu, Ram Ravan, Talyat-Malyat and Lagori, Surya Namaskars and Yoga. Total of 87 children registered and had taken advantages of Marathi school during year 1986-1992. Half an hour of Gym time helped the students to learn Marathi through Marathi games and build a very strong youth friendship by participations.

1986

Asha Pawagi suggested a novel idea of Marathi Children’s Outdoors camp that became a grand success. Total of 50 children attended the three days summer camp. Fifteen parents volunteered as councillors. Shashi Karandikar taught Yoga classes. Children enjoyed

Twenty-five teenage children rehearsed and performed full-length Marathi drama **“Premachya Gava Jave”** at Diwali program. Shalan Khandekar, Sudhana Ranade and Leena Ghanekar produced, directed and coordinated the play. This play was unique because of the character casting. Set of students who performed characters in the first act was replaced by another group of students in the second act. That way more students could participate and fewer lines to memorize. Younger group of students performed a short One-act play called, **“Shakti Peksha Yukti Shreshth”**. Mrs. Watave wrote the short play. Rajashree Manohar coordinated the play. Both plays received an overwhelming response and applause from the audience.
